Andrew Heine
Global Operations Controller
TerraCycle, Inc.
121 New York Avenue
Trenton, New Jersey 08638

Dear Mr. Heine,

Thank you for your response to my earlier e-mail inquiry regarding possible internships or projects that may be available with your company. Because of my experience in environmental activism, I feel especially drawn to the mission of TerraCycle. I am inspired by the work your team has done in the realms of green design and sustainability, and I would be honored to have the opportunity to contribute my skills and knowledge and to learn from this experience.

My involvement as Secretary of The College of New Jersey Environmental Club as well as my work with the South Jersey Land and Water Trust and the Wetlands Institute has fostered a strong interest in environmental protection and climate consciousness. Through my Statistics specialization, Mathematics major, and Graphic Design minor at TCNJ, I have developed skills in statistical analysis, organization, presentation, design and research.

I would love to learn more about TerraCycle's programs. Please see my resume below. I look forward to speaking with you and can be reached at eisenhe2@tcnj.edu or (609) 247-8104.

Thank you for your consideration.

Sincerely,
Elizabeth Eisenhauer

OBJECTIVE

To work with the operations team at TerraCycle and contribute my statistical and design skills.
