RE: Systems Technology Data Telcom Internship (Summer 2016 Opportunity)

Dear PR Representative,

I wish to apply for the Systems Technology Data Telcom Internship position for the summer of 2016. This summer, I will be a rising senior pursuing a Bachelor's degree in Mathematics – Statistics at The College of New Jersey.

My relevant experience includes Excel spreadsheet organization as a member of TerraCycle, Inc.'s Operations team, manipulation of large datasets in SAS 9, and the completion of Pearson VUE's SAS Base Programmer Certification for SAS 9.4 in July 2015. During the spring 2016 semester, my Data Mining and Predictive Modeling class will include extensive use of R. Other related courses I have completed or will have completed by summer 2016 include Data Management and Analysis, Statistical Inference, Probability, Regression Analysis, Sampling and Nonparametric Statistics, and Web I.

Please see attached resume, and feel free to contact me at eisenhe2@tcnj.edu or 609-247-8104. I look forward to hearing from you.

Thank you.

Best regards,
Elizabeth Eisenhauer
